## Networking Implications of Video Analytics

**Prof. Xiaoming Fu**

University of Göttingen

**Montag, den 22.01.2024, 14:15 Uhr**

Live: Raum 01.021, Cauerstraße 7, 91058 Erlangen.

With the tremendous growth of Internet videos and their analytics techniques, various challenges emerge particularly those concerning mobility and analytics efficiency. How to mitigate these challenges and how can we embrace the opportunities in this era? In this talk, I will introduce some of our recent efforts and outline a vision towards integrating sensing, networking and data analytics in a supporting infrastructure in the digital world.
